INSTRUCTIONS

This application must be completely filled out in ink and submitted in duplicate to the code enforcement officer. You may drop this at the Village Offices in the secure mailbox near the front door.

A plot plan showing the location of the lot and of buildings on the lot in relationship to public streets must be drawn on the diagram which is part of this application.

This application must be accompanied by two complete sets of plans and specifications. The plans and specifications shall describe the nature of the work to be performed, the materials and equipment to be used and installed, and details of structural, mechanic, electrical, and plumbing installation.

The work covered by this application may not be commenced before the issuance of a Building Permit.

Upon approval of this application the Code Enforcement Officer will issue a Building Permit to the applicant. Such permit and approved plans and specifications shall be kept on the premises available for inspection throughout the progress of the work.

No building shall be occupied or used in whole or part for any purpose whatsoever until an application is made for and a Certificate of Occupancy shall have been granted by the Code Enforcement Official.
